

Chaperone Information Sheet

Thank you for chaperoning your group's trip to ECHO! While at the museum, you will be responsible for a small group of students as they explore exhibits. Please use this sheet as a reference during your visit.

If you are driving separately, you can get our best parking rate of \$5 per car. To reach our lot, head toward the Lake on College street, cross the railroad track, take a left onto our driveway, and park in our lot behind ECHO. Pay the \$5 fee inside ECHO, not at the kiosk.

Chaperone responsibilities

- Supervise the students in your assigned group.
- Reinforce expectations for all visitors:
 - Treat the exhibits and other visitors with respect.
 - Walk inside.
 - Please no food in the exhibit spaces.
 - Be respectful by using indoor voices and not knocking on the glass of animal enclosures.
 - Have fun and ask questions!
